Job Title: Console Operator / System Administrator

Reports To: Norfolk Operations & Customer Support Exempt Position (Salaried)

Location: Norfolk

Gannett Media Technologies International (GMTI), a subsidiary of Gannett Company, the nation's largest newspaper group, is now hiring a Console Operator/Unix System Administrator for our Norfolk, VA location. Individuals filling these positions will be responsible for providing systems, network and applications monitoring and maintenance in a 24/7/365 Sun Solaris environment. Duties include monitoring, maintaining and troubleshooting systems and network hardware, software, operating systems and applications.

Applicants must meet minimum requirements that include a four-year technical degree or equivalent experience, excellent oral and written communication skills, Unix System Administrator (root level access) experience with Sun Solaris, experience with Internetworking (TCP/IP, etc.) and experience in Customer Support

These positions work rotating flexible schedules including days, weekends, late nights and overnight shifts.
